

Christmas Pajama and Toy Drive

Pajamas - On Christmas day, it's a tradition in a lot of American households to gift sets of new pajamas to family members and friends. We want children, kids, and teenagers who are in need to participate in this fun activity. Therefore, we are asking for donations of new pajama sets suitable for children, kids, and teenagers, both male and female. All donations will be given to children, kids, and teens who live in shelters as well as those who are homeless. While we ask that the pajama sets be unwrapped at the time of donation, gift bags for presenting the sets would be greatly appreciated.

Toys - Every child loves to wake up to presents on Christmas day, especially toys. We want to ensure as many children, kids, and teenagers get a chance to experience this joy. Therefore, we are seeking donations of very gently-used and/or new, unwrapped toys and electronics. Toys should be suitable for both males and females, while the electronics will be primarily for the teens. Finally, while we ask that the toys and electronics be unwrapped at the time of donation, gift bags for presenting the items would be greatly appreciated.
